Dear Doug,

In early October of 2019, I had forwarded to Superintendent Vogel and Mary Robertson my decision to not seek the office of Region 1 Board representative from Sharon. As it turned out, the ballots had apparently already been printed, and the town would have incurred a cost to have them reprinted. I was asked to stay on to facilitate the transition to the new Region 1 Board post-election, and am now tendering my formal resignation. I will continue to serve as a member of the Budget Committee in this cycle to facilitate the transition.

It has been a privilege to serve as the Representative from Sharon to the Region 1 Board over these last 4 years, and see the time as a very positive experience with numerous highlights. I encourage others to consider the opportunity, and carry on the good work on behalf of our children in the Region.

Sincerely,
