Dear Friends and Neighbors,

We have reached thirty-three years raising scholarship funds for our deserving students. Your generous support all those years has made a significant impact on the futures of so many of our young people.

Last year, the scholarship fund gave out a total of \$6,500 and helped the following students pursue their educational goals:

**GRADUATE SCHOLARSHIP RECIPIENTS:**

Dartanian Oyanadel
Jessica Serna
Jada Wilson
Abby Adam
Allison Holmes
Eliana Calhoun
Kristen Galgano
Emily Geyselaers
Elias Hill
Connor McGuire
Lauren Murtagh

This year we are embarking on a new way to raise funds and save the cost of mailing 10,000 letters throughout the region. We have set up a gofundme page. If you follow this link [HVRFA Scholarship Donation](#) you can easily donate to our scholarship fund.

We hope everyone will continue the tradition of supporting our future leaders by making a tax-deductible contribution this year. With the financial demands required of students pursuing their career goals, what a meaningful way to say you care.

Thank you,

*Lindsley Colligan*
