Tier II volunteers are those who engage in the activities listed below:

1. accompanying a class on a field trip in which the plans include that students be divided into small groups supervised solely by the volunteer chaperone for any length of time
2. chaperoning an overnight field trip

Upon receipt of DCF Abuse and Neglect Registry results indicating that the Tier II volunteer is involved in an abuse or neglect investigation or that the volunteer is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent of Schools or designee will notify the volunteer in writing of the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the volunteer, the Superintendent of Schools or designee shall not allow the individual in the schools.

When a criminal record check of a volunteer reveals a criminal conviction, whether disclosed or undisclosed on the volunteer's consent form, the Superintendent of Schools will make a case-by-case determination as to whether to allow the individual to volunteer in the schools. Prior to any such decision by the Superintendent of Schools or designee, the Superintendent of Schools or designee shall inform the volunteer in writing and shall provide an opportunity for the volunteer to respond.

Notwithstanding the foregoing, the falsification or omission of any information on a volunteer consent form, including but not limited to information concerning criminal conviction or pending criminal charges, may be grounds for the Superintendent of Schools or designee to prohibit the individual from becoming a volunteer.

Waiver of Liability

The Sharon Board of Education does not provide general personal liability insurance coverage to volunteers providing service in the Sharon Public Schools. The purpose of this waiver is to provide notice to prospective volunteers that they do not have insurance coverage by the School District and to document the volunteer’s acknowledgment that they are providing service at their own risk.

However, Connecticut state law, Section 10-235, provides that the Board of Education must indemnify and hold harmless all approved volunteers from civil liability in most situations as long as the volunteer is actually carrying out a duty prescribed by the board and under the direction of a school employee. By your signature below:

1. You acknowledge that the Sharon Board of Education does not provide insurance coverage for you for any loss, injuries, illness, or death resulting from your volunteer service.
2. You agree to assume all risk for death or any loss, injury, illness or damage of any nature or kind, arising out of your volunteer service to the Sharon Public Schools, agree to waive any and all claims against the Town of Sharon and the Sharon Board of Education, or its officers, Board Members, employees, agents or assigns, for loss due to death, injury, illness or damage of any kind arising out of your volunteer service to the Sharon Public Schools.
