Love.

Learning.

Leadership.

Dear Friend,

As we begin the 2017-18 school year, we are excited to share some new corporate partnership opportunities Immaculate Conception Academy is offering to our local business community.

Immaculate Conception Academy is committed to providing students in preschool through grade 8 with an education that combines a strong foundation in the core subjects with 21st century learning. Our dedicated faculty strives to bring out the best in each student and challenges them to live our “Three Ls: Love. Learning. Leadership.” Our graduates leave ICA and continue to use these building blocks to succeed in high school, college and beyond.

In past years, we have been generously supported by our school and parish families, as well as the local business community. This support has been crucial to our success in producing young leaders ready to take on the challenges of our ever-changing world. We are truly grateful to all who have supported us in providing various educational opportunities for our students.

As a local business owner, we’d like to ask you to consider becoming one of our Corporate Sponsors for the 2017-18 school year. This year your support will help us to replace and update our Smart Board Technology, which has been a critical part of our classroom learning since opening our doors in 2003. In exchange for your generous support, Immaculate Conception Academy would like to offer your business the opportunity to advertise to our school and parish families as well as guests from all over Berks County who attend our many athletic, school, and community events. Please see the attachments for further information regarding the benefits of partnering with us. Sponsors responding by Monday, September 25 will also be included on our 2017 Dance-A-Thon t-shirt.

Please don’t hesitate to contact me at 610-404-8645 or adele.reilly@icaknights.org if you have any questions or require additional information. Thank you for your consideration.

Sincerely,

Adele Reilly
