Advanced Placement Students:

I hope that this letter finds everyone healthy and well. These are definitely unusual times in our world. I'm sure that your AP teacher has already contacted you concerning your AP exam. This letter will hopefully answer questions that you may still have. I know that you and your teachers have been working hard in preparing for your exams. I appreciate all the hard work that you are continuing to do.

The College Board still plans on administering exams this year. Exams will be taken at home for each student on a technological device. For more information about the exams, please follow this link:

<https://apcoronavirusupdates.collegeboard.org/students#free-ap-classes>

For students who may have technical issues in taking the exams such as device issues or wi-fi issues, please follow this link:

<https://collegeboard.tfaforms.net/74>

An at-home testing guide will be released in late April that will cover issues such as:

- how students will access and take the exam; by late April students will have access to videos and possibly a simulation so they can practice taking the test.
- how College Board is addressing security and fairness.
- how students will receive accommodations.

For students who have decided to **NOT** take the exam, the college board has waived the cancellation fee this year. You will need to complete the following **Google Form** by **April 30** if you plan on **NOT** taking the exam. Upson-Lee High School will make sure that you will receive a reimbursement for any exam that you have already paid for after you complete this form. <https://forms.gle/vFvjgohY3KEnj9sP9>

The College Board has also provided resources to help you prepare for your exam. Please follow these links to access this information: <https://www.youtube.com/user/advancedplacement> and <https://bit.ly/3dFguZo>

If you have any questions, please do not hesitate to contact me at [mbentley@upson.k12.ga.us](mailto:mbentley@upson.k12.ga.us)

We appreciate your support of our AP program and look forward to seeing all your great test scores!

Stay Safe!

**Matt Bentley**  
Assistant Principal of Student Services  
AP Coordinator
