

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to ensure all students get the individual support necessary to reach and exceed grade level standards.

Effective Compacts:

- *Begin* with standards
- *Focus* on student learning
- *Respond* to school data
- *Define* everyone's responsibilities

Jointly Developed

The parents and staff of Chackbay Elementary developed this Family-School Compact for Achievement. Parents created suggestions through surveys to support learning. School-wide meetings are held each year to update the Compact.

Parents are welcome to contribute comments at any time.

For more information on your child's grade level compact, please contact your child's teacher or the Professional School Counselor at 985-633-2348.

We encourage communication between school and home. Teachers prefer to be reached by a letter, scheduled conference, or either by phone during their break.

- Our students will come prepared for class with materials, homework, and daily folders that include notes for communication between school and home.

Our mission statement is: Chackbay Elementary School's staff, parents, and community will prepare all students for academic success.
