  - We talked about ideas for next year:
    - Flipping the tickets when they are printed so it is easier to write on
    - Top seller party was very popular! More balloons next year.
    - Make sure to post on our new Facebook page about the top seller party to make sure kids know what the glow party is (ex: pictures)

**New Business**

- A. Easter Bunny pictures on 3/22. We need volunteers for the morning and/or afternoon! We have new options this year. The flyers will go out next week. We need a bench for the pictures. We may use the one in the office lobby if we can't find one.
  - Volunteers so far:
    - AM: Nicole Granier, Stacey Nichols, Regina Bergeron, Lisa Simoneaux for set up only
    - PM: Stacey Nichols, Christine Delatte, Brandy Braud

B. Teacher/Staff Appreciation Week (5/6-5/10)

- Theme is based on “old” and “new” video games: Game on! It’s time to LEVEL UP and show our teachers and staff how much we appreciate them!
- What we need:
  - Posters made by the kids for decorations
  - Provide lunch one day. Around 60 people. Doug Swanner volunteered to provide lunch for Monday (5/6).
  - Volunteers all week

C. Duct Tape the principal: tentatively set for 5/15

- Troy Granier will provide the suit for Ms. Lacy to wear.
- Doug Swanner will provide more duct tape.
- PTC will provide Ms. Lacy with her favorite: Sonic coke!

D. Spring Fling 5/21: We will focus more on having FUN instead of fundraising! We will not sell bracelets or tickets for games. Stacey discussed all the different ideas for games. We need people to volunteer to plan events/stations for that day with Stacey. Tancy McCartt and Lisa Simoneaux volunteered to help. Lisa will be in charge of the Legos for the Lego station.

E. Give Back Events: nothing specific yet. We may do 1 or 2 more before the end of school.

F. Revised Budget: Stacey proposed two changes:

- Add a line in the budget for Grand Parent Lunch
- Does PTC want to help fund the new playground that was just installed? The hospital paid for a portion of the equipment and CES provided the rest. After the discussion, all the PTC members agreed that PTC is here to support the kids so Stacey proposed a donation of \$2,000 to CES for the new playground. Motion to accept the decision was made by Lisa Simoneaux and 2<sup>nd</sup> by Regina Bergeron.
