Pirate Partner

Lockport Middle School would love to spruce up our campus! As you know this school was once part of the original high school. Although that is an honor to be able to say, there is a multitude of cosmetic issues. Presently, we are trying to replace the 28 doors in the annex hall. These doors have large glass windows that present a safety issue in regards to intruders. Over the last couple of decades or so, the beautiful wooden doors were painted repeatedly. The original painting was not done properly, so every layer after that continues to bubble and peel. We want our students and faculty to not only be proud of what our school stands for, but also the actual facility. The cost to replace each of these doors is approximately \$330. Since the doors still function, it is up to the school itself to fund the replacement of these doors. We would love it if you and/or your business became a proud Pirate Partner and sponsor a door or part of a door. Plaques will be made stating sponsorship for each door. Please remember donating to a school is a tax deduction. Anyone interested may contact Mrs. Ashleigh Landry at 532-2597 with questions. Sponsors should complete the form below and mail or deliver it with a check to **Lockport Middle School, 720 Main St., Lockport, LA 70374**. Checks should be made payable to **Lockport Middle School**.
