From the Principal

November 2016

Dear Parent(s), Guardian(s), and the Booth Hill Elementary School Community,

Before you know it, the holiday season will be upon us. In taking some time to slow down and enjoy the fall - I hope you would agree that the first few months of school have been engaging, important, and that you have witnessed learning transfer from school to everyday life.

Updates from the Principal:

Library/Media – Please be aware that the library/media special that your child goes to each week improves upon a number of different skills. Library is not only a time to peruse the selections, take books home, or read. Library time is devoted to teaching children to type. Each grade has different expectations, but students begin early in learning hand placement, body posture, and typing skills. These skills are imperative to learning and will be useful throughout a student's education.

In addition, if you visit our library, you will see we are redesigning it to have some 'maker-spaces.' There will be different activity stations to delve into students' creativity and imagination. If you have an idea you would like to implement as a parent, please contact Mrs. Armstrong at LArmstrong@sheltonpublicschools.org. This would be a great opportunity to have parents teach children a special talent of theirs. These times will be reserved for January/February 2017.

Lastly, we find computer safety of primary importance in our library/media curriculum. Students will learn at varying levels (depending on grade) about Internet Safety.

Cafeteria – Attached, you should find our November lunch and breakfast menus. Please remember breakfast is available at BHS. I have attached communication from our Food Services department regarding BHS breakfast.

Summer Reading – A great thanks for supporting the Governor's Summer Reading Challenge 2016. Our school has read over 8,000 books this summer. Looking to break our record again next year! Thanks to the PTO for supplying Rita's Italian Ice for those who met the challenge.

Veteran's Day – November 11, 2016. We will honor our Veterans at an assembly. You should have received paper notice regarding having your family members be honored during this celebration if they choose. Please

make sure you send it back in so we can coordinate the activities. **In addition, we ask that children wear red, white, and/or blue to support our country and her veterans.**

Attendance – Remember to please send in doctor's notes to the main office when your child is absent from school so that we can appropriately excuse the absence.

Upcoming Dates -

October 31, 2016 – Kindergarten Halloween Parade. Kindergarten parents are welcome to join us. Our Kindergarten students will be circling the entire building beginning at approximately 1:30 P.M. Please find a spot among our school.

November 3, 2016 – Conferences K-4 from 6:00 to 8:00 P.M. You should have already received a code from your child's classroom teacher in order to sign-up for these online.

November 4, 2016 – Early Dismissal Schedule

November 11, 2016 – Veteran's Day Assembly at 2:00PM

**"Power up with breakfast ...
Eat breakfast at school to boost your brain and body power!"**

September 6, 2016

Dear Parents:

As we all recognize that hungry children cannot learn, the first step is ensuring that all students begin the school day with a nutritious breakfast at home or at school. The School Breakfast Program helps to make sure all of our students start the school day alert, well-fed and ready to learn.

The School Breakfast Program is available to all students every school day in the morning, beginning at the start of school. Your child can purchase breakfast every day or occasionally. These supervised meals provide your child with one-fourth of their nutritional needs each day.

School breakfast is tasty and nutritious. School breakfast is an ideal solution on mornings when kids are running late or parents have early commitments. It is also a wonderful way to make sure your children have a balanced meal to start each day. Try breakfast at school today!

Children from households whose income is at or below the levels set by the federal government may be eligible for **either** free or reduced-price meals. To apply, please contact your child's school.

Sincerely,
Linda Stanisci, Food Service Director

Why Should Children and Adults Eat More Plant-Based Foods?

Plant based foods like fruits, vegetables, whole grains and beans can provide a variety of color, texture and taste to your plate, and are also packed with important nutrients to help prevent disease. They each contribute important fiber to your daily diet which helps to fill you up and keep your digestive system healthy. Eating plant-based foods has also been shown to reduce the risk for heart disease, high blood pressure and some cancers. In addition, the added vitamins and minerals in these foods can help keep you energized when properly added to a balanced daily meal plan.

Why do we struggle to get more plant-based foods into our diets? For some people it's lack of familiarity and not understanding how to incorporate them into a daily diet routine. Consider some of the tips below to help you learn how to add these nutrient-filled foods into your family's meal plan. There are also issues of availability in different seasons, as well as convenience. If fresh is not an option for your family, try frozen fruits and veggies, canned fruits in natural juices, or low-sodium canned vegetables and beans as a healthy alternative.

Education achieves by promoting healthy food choices and encouraging children and families to eat the USDA MyPlate to build healthy and vibrant diets.

Sometime after April 2017, flocks of plastic pink flamingos will be soaring onto the front lawns of BHS families. Each of the flocks will have a note explaining that a BHS friend of theirs paid to have them “Flocked” in support of the BHS PTO. A note will explain that if you choose to pay a donation, our volunteers will remove the flock and send it to the yard of any BHS family you choose. This fundraiser continues to feed on itself as the flamingos migrate from yard to yard. The flock will remain in your yard for 24 hours.
