LEGO® Bricks

LEGO ROBOTICS – CAMP @ P.S. 396X

02/18/2020 – 02/20/2020. FROM 9:00 AM – 12:00 NOON

Dear Parents,

We are excited to offer fun & educational LEGO Robotics camp to students in grades PRE-K – 5. During the Winter Break Camp children will explore architecture, engineering and technology concepts using LEGO® bricks. Every day students will work on a new project.

Using LEGO® Bricks, your child will learn, build and play in a way that engages and introduces them to important concepts of science, technology, engineering, and math. They won't even realize they're learning. We will be offering diverse levels of build plans to fit your child's ability. Class size are limited to 15 students per grade. To register please complete the following registration slip and send it back with your child in his/her folder.

Date & Time:

Dates: Feb 18th to Feb 20th 2020

Day: Tuesday, Wednesday & Thursday
