

**Family Enrichment Centers and Community Partnerships:  
Primary Prevention Resources in the Community  
Revised 4/20/2020**

Due to COVID-19, the following changes are in effect until further notice. Even though most offices are temporarily closed, regular telephone and e-mail support is occurring. All programs listed below are working with community partners, including public and private organizations, elected officials and others, to offer or help coordinate support in various forms. In some cases, emergency items such as food and educational tools for children and youth are available. Days and hours may change so please **call, e-mail or check the websites and/or social media pages for up-to-date information.** To reach someone in the ACS Office of Community Engagement and Partnerships, e-mail:
