

# What is the S.M.I.L.E. Team?

S.M.I.L.E. (Sunrise Monitors Individual Learning Experiences) is designed to help students overcome a variety of barriers that may impact their academic, emotional, or social development. The S.M.I.L.E. team finds school and community resources to help the student at hand.

## Confidentiality

Confidentiality between ALL parties involved in the S.M.I.L.E. process shall be respected and maintained in the best interest of the student in accordance with all State and Federal Laws protecting the privacy rights of parents and students.

## Referrals

How is a student referred to the S.M.I.L.E. Team?

- Teachers
- Counselors
- Administrators
- School Nurse
- Parents/Family
- Student

## What to Expect

- \* The parent/guardian will be contacted to discuss the concerns related to the child as well as the role of the S.M.I.L.E. Team.
- \* A permission form will be mailed home, and a signature is required to either agree or disagree with the continuation of the S.M.I.L.E. process.
- \* Once permission is received, recommendations will then be made and carried out based upon each student's individual needs.

Please note that you will continually be updated on your child's progress and can contact ANYONE from the S.M.I.L.E. Team if you have any questions or concerns.

# The Parents' Role

## S.M.I.L.E. Team Members 2019 - 2020

Parent involvement strengthens the decision making process about any behavior that is affecting the education, safety, or welfare of their child. Active parent support in the S.M.I.L.E. process promotes student success. Students are more likely to benefit from S.M.I.L.E. recommendations when parents are informed, involved, and supportive.

Dr. Karin E. Coiner - Principal  
Dr. Jody DiMiceli - Psychologist
