

FAMILY ID DIRECTIONS AND INFORMATION FOR STUDENT EMERGENCY CARDS

<https://www.familyid.com/programs/ptsd-2020-kindergarten-student-emergency-information>

The Penn Trafford School District uses Family ID to complete student emergency cards. Your account will also be used for multiple other events as your child progresses through school.

Listed below are step by step instructions on how to create an account in Family ID and also complete the student emergency card.

Our recommendation: Family ID works very well from a computer or laptop. The system is not as reliable and encounters many errors when accessed on a phone or device.

1. Go to the PT home page website – www.penntrafford.org
2. On the left side under “Quick Links”- select the tab for “Family ID”
3. Click on – “PTSD 2020 Kindergarten Student Emergency Card Information”
4. Scroll down and Click on – “Register Now” and create an account. (if you have an older child with an account, please select “Log In”) Please save your username and password somewhere where you can access it.
5. Choose your appropriate elementary school
6. Complete all necessary information for your child(ren), please enter all the fields required.
7. IMPORTANT – If you have more than one child you have to complete an emergency card for each of them; many fields are prepopulated for easier completion.
8. Save and Continue
9. Click “Submit”

If you encounter any issues, please contact FamilyID Technical Support. They are very helpful and can solve most problems.
