

Teacher and Staff Appreciation Week!

May 7 - 11

Help our PTO show our wonderful teachers and staff at Sunrise Elementary just how much we appreciate all they do for our children!

Monday, May 7th:

Teachers/staff will be provided with a Continental Breakfast, provided by the PTO! We are also asking that families visit Sunrise on Sunday, May 6 to write messages of appreciation to our teachers and staff on the sidewalk, so they'll be surprised when they arrive to school on Monday morning! Chalk and tape will be provided. The tape is for those who wish to tape a special letter/sign to the doors for all to see on Monday!

Tuesday, May 8th:

Teachers and staff will be surprised with inspirational quotes about educators on their classroom doors and throughout the halls. Also, parents are encouraged to take time to email teachers/staff personal messages of gratitude. Don't forget about all of the people who inspire your children daily, even outside of the classroom! (Click here for a list of Sunrise staff email addresses <http://sr.penntrafford.org/directory/faculty>)

Wednesday, May 9th:

A luncheon will be provided for our wonderful teachers and staff! Lunch will include catered sandwiches, salads and snacks along with homemade sides and desserts donated by Sunrise families. If you would like to donate, please see the donation request form on Take Home Tuesday.

Thursday, May 10th:

We are asking parents to send school supplies to school to help stock your child's classroom. Every little bit makes a difference! Don't forget about the support staff, too! Items can include dollar store items such as highlighters, gel pens, tissues, etc. Other popular requests include hand sanitizer, disinfecting wipes, glue sticks. Or, consider sending in a treat!

Friday, May 11th:

Students are encouraged to bring in homemade cards and notes for their teachers, aides, support staff, custodians and everyone else who supports them throughout the year! Teachers and staff will also be provided with a frozen treat!

Feeling gratitude and not expressing it is like
wrapping a present and not giving it.
