

CLUBHOUSE LIFE

Little Savers Club

The Award Winning Little Savers Club gives children real life financial experiences at an early age. Our goal is to educate your child about money management and the responsibilities that come with it.

Through the Save Day Program your child will have the opportunity to open a Clubhouse Life account with Westmoreland Community and become a member of our financial institution.

What is unique about our Save Day Program is that it has been designed first and foremost as an educational tool. It offers an opportunity to experience real world personal finance in a safe, secure environment while having fun too!!

A "Save Day" is a designated day for your child to make a deposit into their Clubhouse Life account at school. For each deposit a child makes they will receive a reward along with an "I'm A Star Saver" receipt to bring home to notify you that a deposit has been made. If your child completes all 8 months of the school program the Credit Union will deposit a \$5 Bonus into your child's account!!!

If you would like your child to take part in this fun educational and financially rewarding program, please contact the Credit Union at (724) 834-5580 or email us at school@westmorelandfcu.org

Save Day Program Includes:

- Clubhouse Life Piggy Bank
- Clubhouse Life Shirt
- Magnetic Save Day Calendar
- Save Day Deposit Rewards
- \$5 Deposit Bonus for Completing the Save Day Program*
- Invitations to Special Clubhouse Life Events
