

PT Rocks!

Help us spread kindness!

During this long winter, our family decided to create hand-painted rocks with uplifting and encouraging words on them. Many of you may be familiar with the Murrysville Rocks kindness project. My family enjoys hiking Duff Park and finding these kindness rocks. We decide to bring this initiative to Penn Trafford and spread some kindness here as well!

Look for the kindness rocks all throughout Penn Trafford! When you find one, post a picture! Then the choice is yours, leave it in the same spot or re-hide it elsewhere to brighten someone else's day! We also encourage YOU to make your own kindness rocks and add to the fun!

KINDNESS IS CONTAGIOUS!

Keep spreading kindness,
Mia, Rocco & Kayla Prosdocimo
