

ELEMENTARY STUDENTS, PARENTS AND FAMILIES IN THE PENN TRAFFORD SCHOOL DISTRICT

Penn Area Library is gearing up for our 2nd Annual ***Putt "FORE" the Library*** Fundraiser. We are extending an invitation to you to come join us March 24 to play 18 holes of mini golf between the book shelves of our library!

To add to the fun this year, we are having a district wide contest between our five elementary schools. On Saturday, March 24, we will keep a tally of the total number of students from each elementary school attending that day. The elementary school with the highest percentage of students attending will win a Magic Show Assembly at their school in late April or early May!

We in our school district have enjoyed many of the free services our Penn Area Library has to offer. "Free" to the community, but not "free" to our library. With the government cutbacks funding public libraries, we find it necessary to hold fundraisers to help make up for these cutbacks. We hope you are able to help us in this endeavor.

So, please, if you are able, come out to the Penn Area Library March 24 and join in the fun and help enable our library to continue to provide the services and numerous programs we enjoy and what helps to make our school district so special!

Thank you!
