To Our Nanuet Community,

I hope that you and your family are doing well and are staying healthy during this difficult time.

I have received calls from families in the district that would like to know how they could help and support Nanuet families struggling during this pandemic. The number one request at this time is food. The best way of helping our families would be to purchase food gift cards at Stop and Shop in Nanuet or send in a donation to purchase more gift cards.

Please mail food cards or donations to:
