Protocols and Guidelines for Zoom and Live-Stream Class Meetings

Highview School

Dear Parents/Guardians:

This flyer is to provide you with information on how to best help your child learn from a remote location. Protocols and guidelines are established to help the students and teacher engage successfully in a virtual platform.

A **zoom class meeting** is when the teacher and students are **ALL** in a remote location. A **live-stream zoom class meeting / lesson** is when the teachers and one cohort of students are in the classroom and students at home stream into the lessons in the classroom. There are slightly different expectations for each type of virtual experience:

 <p>In order to be best prepared, please make it a habit to wash your hands and use the bathroom before logging on for your class.</p> <p>* Behave as you would in a classroom! Be your best self!</p>	<p>For all virtual learning experiences:</p> <ul style="list-style-type: none">*Be online 5 minutes before the assigned time.*Be dressed appropriately for school.*Be in a quiet place, seated at a table or desk, preferably in front of a wall.*Wear headphones or earbuds (recommended!)*Have your space free from distraction (no pets, toys, food, etc)*Do not take any photographs or make recordings of the meeting. (It is against school policy). Zoom meetings are a SAFE place.*Be respectful of your classmates and teacher.*Always MUTE your microphone until asked to unmute*Please keep family members out of lesson*Click on the "Leave" box when directed by your teacher
<p>Zoom Meetings:</p> <ul style="list-style-type: none">*Make sure family name is recognizable*Make sure your camera is ON and you are muted	<p>Zoom Live-Stream Meetings/Lessons:</p> <ul style="list-style-type: none">*Make sure family name is recognizable*Make sure your camera is ON and you are muted*Select "Speaker" view

Your teacher will post a link that you can use to access the meeting at the assigned time. You will also need a password to get into the meeting. You will need to allow audio and video features.

Students will be placed in a waiting room before the Zoom session begins. The teacher will approve the students to join the meeting. (Please make sure your family name is recognizable.)

Parent Drop-Off and Pick-Up Procedures 2020-21 - Revised

Thank you for driving your child/children to and from school. It is imperative that everyone follow school procedures to keep our children, staff, and families safe. All times and procedures are subject to change. Please be patient as we establish the safest and most efficient protocols. Thank you for partnering with us to keep our students as safe as possible.

Arrival Procedures

1. All children must wear masks when arriving to school. Additionally, children will use hand sanitizer as they enter the building.
2. The drop-off window is from **9:05-9:15 am**. Do not arrive early to line up since buses will be unloading from 8:45-9:05 am. Drop-off is staggered and coordinated with Miller as follows:
 - a. **Monday/Tuesday Group:**
 - i. Last names starting with **G-L** drop off window **9:05 – 9:10 am**
 - ii. Last names starting with **A-F** drop off window **9:10 – 9:15 am**
 - b. **Thursday/Friday Group:**
 - i. Last names starting with **S-Z** drop off window **9:05 – 9:10 am**
 - ii. Last names starting with **M-R** drop off window **9:10 – 9:15 am**
3. Drop-off will take longer this year. We need to keep children physically distant, and there is a higher volume of drop-offs so this may slow our timing. Please drive slowly at all times!
4. Please approach the school traveling north on Highview Avenue from Townline Road toward Church Street. As you approach, please wait on the drop off line and enter the driveway (semicircle) when you are directed to do so by staff.
5. Please pull up into the semicircle so that our staff can monitor your child's exit from the car and entrance into the building.
6. Children will use the entrance to the building closest to where they exit the car. There will be staff at each entrance to direct students.
7. Cars **must be in park** while your child exits the **passenger side of the car only**. Please make sure your child has all of their belongings with them as they exit.
8. Children need to be able to exit the car independently without assistance from a parent or staff member.
9. When exiting the driveway please make a left out of the driveway. **There is no right turn out of the driveway during drop-off.**
10. To keep the flow of traffic moving, parents are not permitted to exit the car.
11. Parents are not permitted to park in any spots in our lot during the drop-off period.
12. If your child is unable to exit the car independently or you wish to walk them up to the school, you can park at Grace Baptist parking lot across the street. There will be a crossing guard.

Dismissal Procedures

1. All parents and family members must wear masks.
2. There will be a crossing guard to assist you when crossing Church Street / Highview Avenue intersection.
3. The pick-up window is from **3:20 – 3:35 pm**. It is possible that you will receive a five-minute pick-up window to reduce congestion during this time.
4. Pick-up will take longer this year because many parents are driving children to and from school.
5. **All parents will park in the Grace Baptist Church parking lot across the street.**
6. Pick up will be at the school entrance **closest to Church Street**. Please form a single file line along the sidewalk closest to the building in our driveway staying 6-feet apart.
7. Go to the door and indicate your child's grade level, first name and last name.
8. Bring your own pen to sign the sign-out sheet.
9. Please move to the grass area while we bring your child out to you. If you have children in both grades you will be able to sign all of them out on one sheet.
10. Once children are signed out, please return to your car. Hold your child's hand when crossing the street and follow the directions of the crossing guard.

Please Note: These procedures are subject to change depending on the bus routes, number of pick-ups and volume of traffic on Highview Avenue. We hope to make this process as safe and efficient as possible. You will be notified in advance of any changes in the procedures.

***Your child's safety is our top priority.
Thank you for your patience!***
