

It's almost here!  
The Second Annual  
Highview School, Grade 4  
**CARDBOARD CHALLENGE!**

Donations Needed!

**Grade 4 needs your cardboard boxes! Moving boxes, shipping boxes, appliance boxes etc. Please donate them anytime before or after school and put them on the stage in the old gym.**

On **Friday, June 15**, after working hard with their teams on original game designs, all 4<sup>th</sup> graders will spend the entire morning building their projects. After lunch, they will display their projects and test and play with them. **You are invited to join us from 1:30 until 3:00**, as students play their games. Come and see what they have created, and try your hand at the many games we will have!

At the end of the day, all projects must go home. Teams have chosen which person (if any) will keep the game. The students have been told they cannot take projects home on the bus. If your child is taking a game home, it will need to be taken right after school, or you can come back and pick it up any time prior to the building closing that evening.

Thank you,  
Mrs. Sexton  
STEM Teacher

You are cordially invited to the opening reception of the

# Celebration of the Arts

at the

Nanuet Public Library

on

Saturday, June 2nd

from 12pm-3pm

Featuring a selection of works from  
students grades K-12.

***Announcement: 4<sup>th</sup> Grade Fun Day will be held  
Friday, June 8, 2018!***

**Location: The Outdoor Education Center**

We have a very special day planned for our HighView Graduates on June 8<sup>th</sup> at the Outdoor Education Center. ***Raindate is June 11<sup>th</sup>.***

To celebrate their achievements in Elementary School and celebrate their moving up to Barr 5-6 Academy for Excellence, we have a day of water slides, music, and so many more activities planned.

**REMINDERS**

**Just a few reminders to help make the day go smoothly:**

-  Send your child with a **bagged lunch** and a **towel** with their name on each.
-  Make sure they wear comfortable clothes, sneakers and a bathing suit under their clothes. A one piece is suggested for safety reasons (there are plastic seams on the slides).
-  Your child should apply sunscreen at home in the morning prior to leaving for school.
-  Please send your child with their own sunscreen to re-apply as needed (due to various allergies we would prefer if children did not share sunscreen with one another).

Thank you in advance for all of your help and support,  
The Fourth Grade Team and Nanuet Elementary PTA

ACTIVE INTERNATIONAL CHARITY CHALLENGE

Join us for a great night of baseball and *wishes* at this year's **Make-A-Wish** Night at the Rockland Boulders!

VS  
6:30PM
