Dear Parents/Guardians,

**New transportation cards will be coming home in your child's backpack tomorrow.** The cards will indicate that students should arrive home approximately 5 to 10 minutes earlier than their current arrival time. Please note the change so that you can arrange to meet your child at the bus stop.

As with the start of any school year, it may take several school days to identify specific transportation issues. I thank you for your continued patience and support as we work to improve this situation.

Sincerely,

Nancy Bonner

The idea of "filling a bucket" comes from a book, Have You Filled A Bucket Today by Carol McCloud. "Filling a bucket means you make someone feel good through your words and/or actions. The goal of this week is for students to see that they can make a difference just by saying positive words or doing positive things for others.

## *"The Theory of the Dipper and the Bucket"*

Mrs. Lipson, Highview School Counselor

WELCOME BACK & HAPPY FALL!!!

This month, your child will come home saying he/she is a bucket filler or that someone helped fill his/her bucket. Are you wondering what that means? Let me explain...Mrs. Hink, our Librarian will be reading the story, "Have you Filled a Bucket Today" by Carol McCloud to all Highview students. The book explains to children that we all carry an invisible bucket in which we keep our feelings about ourselves. When our buckets are full, we are happy; when they are empty, we are sad. It's important to know that we can fill our own bucket and so can others. The best way to fill up our own bucket is by doing things to fill the buckets of others. This abstract idea is made very understandable in Carol McCloud's easy to read delightful book.

This simple little book packs a message that every person needs to know. A person can be a bucket filler or a bucket dipper. The way to fill a bucket is to be kind to someone. A smile or a compliment is an excellent way to fill a bucket and it makes you happy, too. On the other hand a person who exhibits bullying types of behavior can dip into your bucket by name calling, exclusion or being physical and then you feel sad. If someone keeps dipping in your bucket then you can put a lid over your bucket by using Kelso's choices such as ignoring them or walking away and then they cannot make you feel bad anymore. **It is also important to report the incident to your child's teacher/Mrs. Bonner or Mrs. Lipson or another caring adult at Highview.** If someone's bucket is completely empty, then that is an **emergency** and we need to make sure that we fill their bucket right away so please make us aware.

Throughout the year, we will be speaking with the students and engaging them in activities that encourage them to be bucket fillers, both in and out of school. We want everyone in the school to feel welcome and appreciated for the good things that they bring to Highview!!! **HAVE YOU FILLED SOMEONE'S BUCKET TODAY???**
