

Procedures for Drop Off and Pick Up at Highview *Safety First!*

The safety of our students at Highview is our top priority. As a safety precaution, it is imperative that all drivers observe the one-way traffic flow in front of Highview school. Please do not attempt to drop off or pick up students when buses are in front of the building. Similarly, we request that no cars enter our driveway during pickup following After-School activities.

Please note that it is dangerous to drop off or pick up students on the playground side of Highview Avenue because this would require the children to cross through both the north and southbound flow of traffic. Therefore, we ask that you approach the school heading north on Highview Avenue and wait in line so that our security guard can help the children disembark safely.

Please understand that these requests are made with the intention of protecting and ensuring the safety of our students. Your patience and understanding are greatly appreciated.

Thank you!
