

4th Grade Yearbook Pictures

The Yearbook Committee is working hard to gather pictures of your children to include in this year's yearbook. We need pictures from Kindergarten through 4th grade.

Some guidelines for Picture Submission:

All pictures must be in an **ELECTRONIC format such as JPEGs** emailed directly to **nanuet2026@aol.com** or on disks, or flash drives submitted to the box in the school office attention Yearbook Committee.

Please label all pictures as to what year and who is in the pictures, and the event if possible. Also please label your child with First and Last Name and current Class code. (We have many children with different last names from their parents this helps keep them all straight.) Flash drives and cd's will not be returned to you unless specifically requested.

Group pictures which include 3 or more children are appreciated, and are preferred. These are more inclusive of more children whose parents may not have been able to attend the event.

Pictures should all be of your child and his/her classmates at school functions such as Class Trips, School Plays, Playdays, Halloween Parades, Halloween Happenings, H-Games etc.

Birthday Parties, Bus Stops, Sports Teams, Scouting events, Family Vacations, and Family Portraits are not acceptable.

New Deadline for pictures is March 30, 2018
