

# KINDNESS AMBASSADOR PROGRAM

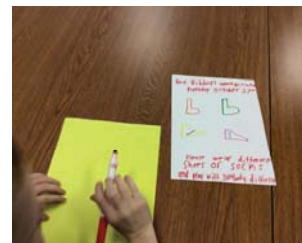

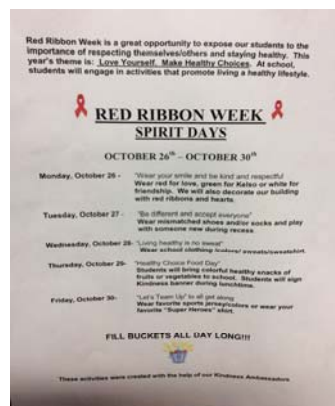

Our Kindness Ambassadors are simply amazing! They give up their recess time every “A” day to meet, brainstorm and plan activities and events to make Highview the best school ever. They give their pledge to be compassionate and kind. Every student has a chance to become an ambassador if they choose to. Each month, 2 or 3 students are selected from each class and will remain an ambassador for that month.

Being an Ambassador is a fun, easy and impactful way to empower children in acts of kindness that better their life and school. Children learn how to be generous, giving and compassionate in a way they can understand. They work creatively and independently on projects as well as reaching out to other children at school that might need a friend.

Here are just a few pictures of our Kindness Ambassadors at work.

## Preparing for Red Ribbon Week’s theme:

## “LOVE YOURSELF. MAKE HEALTHY CHOICES”

# Choosing words for Highview's Future "Word Wall"
