

**Highview's 4th Grade Cardboard
Challenge is Friday, June 14!**

**4th Grade Parents are invited to
join us from 1:45-2:45 to see the
creative projects our students
have been building!!**

It's almost here!

**The Annual
Highview School, Grade 4
Cardboard Challenge!**

Grade 4! We have all the cardboard we need! Thank you all for your donations.

This **Friday, June 14**, after working hard with their teams on original game designs, all 4th graders will spend the entire morning building their projects. After lunch, they will display their projects and test and play with them.

You are invited to join us from 1:45 until 2:45, as students play their games. Come and see what they have created, and try your hand at the many games we will have!

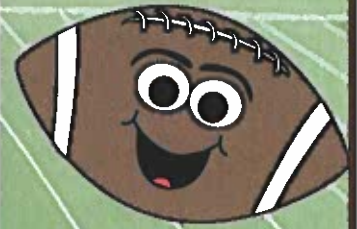

At the end of the day, all projects must go home, or they will be recycled. Teams have chosen which person (if any) will keep the game. The students have been told they cannot take projects home on the bus. If your child is taking a game home, it will need to be taken right after school, or you can come back and pick it up any time prior to the building closing that evening.

June Highview Parent Events
