## A Girl Scout is a G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ powerhouse!

At Girl Scouts, girls discover who they are, where their talents lie, and what they care most about—all in a safe, no-limits place designed to unleash their full **G.I.R.L.** potential. They connect with people in their communities, and they take action to change the world. Through our program, the Girl Scout Leadership Experience, girls develop a strong sense of self, display positive values, and seek challenges at every turn. They learn from setbacks, form healthy relationships, and identify and solve problems in their communities.

### How does she find the power of G.I.R.L. in her?

Girl Scouts teaches girls to empower themselves by engaging in collaborative, hands-on, girl-led experiences. Guided by supportive adults who help them pursue their goals, girls participate in a variety of fun and challenging activities. Here she will:

- Engage in healthy activities!
- Find her entrepreneurial spirit and learn financial literacy!
- Explore the great outdoors!
- Participate in hands-on STEM skill-building!
- Connect with girls around the world!
- Take on meaningful community service projects!
- Take the lead—in her own life and in the world!
