

Dear Parents and Guardians,

As you know, the safety and well-being of our students is our top priority. We are hard at work to ensure that our students can continue to learn even **in the event of an extended school closing due to the Coronavirus.**

Our teams of teachers have designed "at home" work for students. Below you will find a link to grade level documents outlining work for each day of a possible long-term closing. You will notice that the information is organized much like the schedule of a normal school day.

We have provided links below for each elementary grade level. You will find a combination of online resources as well as paper and pencil resources. The paper and pencil resources will be coming home with your child. We will also provide a link to many of these resources from each document.

For George Miller families, you will find your child's username and password for the online resources attached to this letter. For Highview families, you will find your child's username and password for the online resources in the Homework Planner. Your child's teacher will periodically monitor student progress when using the online resources. If you have any questions about the work please do not hesitate to reach out to your child's teacher by email. Please also find a copy of the document for each grade level on our *Digital Backpack*.

**First Grade:** [First Grade Daily Work](#)

**Second Grade:** [Second Grade Daily Work](#)

**Third Grade:** [Third Grade Daily Work](#)

**Fourth Grade:** [Fourth Grade Daily Work](#)

We have made every attempt to provide a reasonable amount of work and have indicated an estimated duration for the activities. There is no easy way to replace the rich classroom experience when your child is in school but this extenuating situation requires that we plan ahead to serve our students and families in the best way possible when school is closed.

**Please note that the "at home" materials should be put aside and used only in the event the District is forced to close on a long-term basis as a result of mandated quarantine by the Department of Health.**

Please continue to monitor the District's website for updates, as Dr. McCahill will notify the community if such a closure is required. Thank you for your continued support.

Sincerely,

Nancy Bonner and Maryellen Griffin

Estimados padres y tutores,

Como saben, la seguridad y el bienestar de nuestros estudiantes es nuestra principal prioridad. Estamos trabajando arduamente para garantizar que nuestros estudiantes puedan continuar aprendiendo incluso **en el caso de un cierre prolongado de la escuela debido al Coronavirus.**

Nuestros equipos de maestros han diseñado el trabajo "en casa" para los estudiantes. A continuación, encontrará un enlace a documentos de nivel de grado que describen el trabajo para cada día de un posible cierre a largo plazo. Notarás que la información está organizada de manera muy similar al horario de un día escolar normal.

Hemos proporcionado enlaces a continuación para cada grado de primaria. Encontrará una combinación de recursos en el internet, así como recursos en papel y lápiz. Los recursos de papel y lápiz vendrán a casa con su hijo. También proporcionaremos un enlace a muchos de estos recursos de cada documento.

Para las familias de George Miller, encontrará el nombre de usuario y la contraseña de su hijo para los recursos en línea adjuntos a esta carta. Para las familias de Highview, encontrará el nombre de usuario y la contraseña de su hijo para los recursos en línea en el Planificador de tareas (Homework Planner). El maestro(a) de su hijo(a) controlará periódicamente el progreso del alumno cuando utilice los recursos en línea. Si tiene alguna pregunta sobre el trabajo, no dude en comunicarse con el maestro de su hijo por correo electrónico. También encuentre una copia del documento para cada nivel de grado en nuestra *Mochila digital (Digital Backpack)*.

<b><u>Kindergarten:</u></b>	<u>Trabajo Diario de Kindergarten</u>
<b><u>Primer Grado:</u></b>	<u>Trabajo Diario del Primer grado</u>
<b><u>Segundo grado:</u></b>	<u>Trabajo Diario del Segundo grado</u>
<b><u>Tercer grado:</u></b>	<u>Trabajo diario del Tercer grado</u>
<b><u>Cuarto grado:</u></b>	<u>Trabajo diario del Cuarto grado</u>

Hemos hecho todo lo posible para proporcionar una cantidad razonable de trabajo y hemos indicado una duración estimada para las actividades. No hay una manera fácil de reemplazar la rica experiencia en el aula cuando su hijo está en la escuela, pero esta situación atenuante requiere que planeemos con anticipación para servir a nuestros estudiantes y familias de la mejor manera posible cuando la escuela está cerrada.

**Tenga en cuenta que los materiales "en la casa" deben guardarse y usarse solo en el caso de que el Distrito se vea obligado a cerrar a largo plazo como resultado de la cuarentena obligatoria del Departamento de Salud.**

Continúe monitoreando las actualizaciones del sitio web del Distrito, ya que el Dr. McCahill notificará a la comunidad si se requiere dicho cierre. Gracias por su apoyo continuo.

Sinceramente,

Nancy Bonner y Maryellen Griffin
