

# “Let’s Garden Together”

Happy Spring!

From the Nanuet School District

Outdoor Education Center (OEC)

On **Wednesday May 13th**, Nancy Galdi Director of the OEC will share our love of plants with Nanuet Elementary School students and their families. We want to **give each family 1 free vegetable plant** grown from seeds in our greenhouse, either a tomato, pepper or eggplant plant.

Enjoy a fun activity where the students can garden at home with their families and grow delicious, fresh and healthy food to share!

If you do not have a yard or garden bed, you can plant in a large size container to be left outside. **Connect to nature, have some fun and happy gardening!** Feel free to share with Mrs. Galdi (ngaldi@nanuetd.net), take a photo or draw a picture of your garden activity or progress. We all would love to see it!

**Note:** Our plants have been growing in a sheltered greenhouse environment. For more information on how to acclimate them to the outdoors, please visit [www.Nanuetd.org](http://www.Nanuetd.org), click on the OEC blog website under the District tab.

### **Pick-up Directions:**

Please enter at your designated time listed below at the Nanuet Outdoor Education Center entrance on 135 Convent Road where you will be instructed to go in a line up the driving path to the OEC Blue Building parking lot. It will be “curbside pickup” where you will receive a plant in your car. For the safety of all, we ask that you please wear a mask, respect distancing rules and stay in your vehicle. Thank you for your cooperation!

**Rain Date: May 14, Thursday.** If there is a chance of inclement weather, please go to the Nanuet School District Website to check if plant pick-up will still take place on the originally scheduled date.

### **Plant Pick-up Times:**

Grade K- 10:00am - 10:45 am

Grade 1- 10:45am - 11:30am

Grade 2 - 11:30am - 12:15pm
