

This visual guide will assist you in setting up and using Istation on a public computer, which will allow your child to access the Istation Reading program.

<p>Step 1: Make sure Istation is properly installed by using the download instructions.</p>	
<p>Step 2: Double-click the Imagination Station icon on your desktop.</p>	
<p>Step 3: Multiple schools will be using these computers, so the domain (school name) will change each time a user logs in.</p> <p>To change the domain, enter "CONFIG" for both the user name and password.</p>	
<p>Step 4: Type the school name in the domain box, select the school, and click OK.</p>	

Step 5:

- A. Enter your user name and password.
- B. Click the **OK** button.

Parents, please go online to www.istation.com to find a variety of support materials and activities to help reinforce your child's learning at home.

Step 1:

Click **Customer Login**. Type your child's school name and choose the correct school from the drop-down menu.

Step 2:

Now you're ready to log in. For the user name and password, use the information provided by your child's teacher and click **Log In**.

Log In: Find Your Campus

Step 1 of 2

To log in to the Istation classroom management and student report Web site, you must specify your location so that we can properly identify your account.

Search by Your Campus, District or Istation Domain Name

Find Your Campus Search
