Dear Students, Parents/Guardians & Community Members;

One of the 3 B's of school is B Safe. Part of being safe is having a safe school to learn in. To meet this commitment our school counselor has been talking to each student in their classrooms about behavior and what it means to be a bully or to be bullied. In addition we have posted posters up in our hallways encouraging students not to Bully. We also had an assembly to discuss bullying, what it is and why it is a problem. We are also posting up on our website the schools concern about bullying. Please see the District Policy on Bullying copied below;

1st offense: Parental notification and with principal discretion of notification to the appropriate law enforcement agency, and up to five (5) days suspension with a mandatory parent conference for re-entry. If in the opinion of the principal, the severity of the violation is of a violent or serious nature, then, the principal/designee would have the option of referring the student to the Hearing Authority. The student will be suspended for a minimum of five (5) days or until the scheduled hearing.

2nd offense: Parental notification and notification of the appropriate law enforcement agency, and referral to the Hearing Authority. The student will be suspended for a minimum of five (5) days or until the scheduled hearing.

Sincerely,

Anthony E. Morrison
Principal
