

Access Family Program

for children with developmental and learning disabilities (ages 5–17)

The Intrepid Museum offers monthly programs for children (ages 5-17) with learning and developmental disabilities and their families. These two-hour programs take place on select Sundays during regular Museum hours. Families take a guided, interactive tour of the Museum and participate in art-making activities that everyone can enjoy.

Programs are free. Registration is required and opens one month in advance. Please fill out the registration form at intrepidmuseum.org/education/access-family-programs. For more information, contact access@intrepidmuseum.org or 646-381-5158.

Ship Safety

Sunday, March 1,
11:00am-1:00pm

Discover how Intrepid's crew kept this ship running smoothly! Families will visit various areas of the ship to learn how sailors kept safe at sea, forming connections to their own lives along the way.

Access Programs at the Intrepid Museum are generously supported by the FAR Fund, the J.E. & Z.B. Butler Foundation, the Joseph LeRoy and Ann C. Warner Fund, the Barker Welfare Foundation and the Frank J. Antun Foundation. This program is supported, in part, by Public Funds from the New York City Department of Cultural Affairs, in partnership with the City Council.
