

# Computer Purchase Program Financial Responsibility Notice

As part of the Osnaburg Local School District, families of 6<sup>th</sup> grade students may purchase a Chromebook and pay over a 4-year period. This Chromebook remains the property of the Osnaburg Local School District until the final payment is made to pay off the system. By signing this agreement, you assume responsibility for the computer (your child) and agree to take due care in the handling and use of this equipment. Additionally you agree to make the scheduled payments of \$79/year for an HP Chromebook 11 G5 EE 11.6" LCD Chromebook over the next four years.

This equipment is your "school environment" and any changes to it may affect the equipment capabilities and the educational process. Please note that all devices on our network (district and family owned) are subject to the district Acceptable and Responsible Use Policies.

All repairs to this equipment are to be provided by CDI computers acting as an agent for Osnaburg Local. The Chromebook comes with a warranty that covers normal wear and tear. In the event that your Chromebook requires repairs outside the bounds of the warranty (due to unapproved alterations, negligence or misuse), you will be held financially responsible and will be billed for necessary repairs. In the event that your child withdraws from the school, it is your responsibility to either make the remaining payments due for the Chromebook or return the equipment to the district in good repair within 10 business days from the date of withdrawal.

\*\*\*\*\*

I understand my financial and due care obligation to Osnaburg Local Schools and assume full responsibility of the Chromebook system. I understand that I/my child(ren) may not alter, tamper with, add additional software, or reconfigure this equipment and that all repairs are to be performed by CDI and/or Osnaburg Local. I understand that it will be my responsibility to transport the equipment to locations designated by the district for any updates, maintenance or repairs.
