We will also be doing a 50/50 drawing, gift basket auction, and crafts/decor raffle.

Dine in and carry out available. Delivery for those in need.

Hello, our names are Sandy Foor and Danielle Hubbard, we are employee's and union members at AAM (Colfor) in Minerva Ohio. I am sure by now you are aware of the horrific fire that took place at the Malvern AAM (Colfor) plant recently. This fire destroyed a huge portion of the plant and it's equipment. These presses were used to make a lot of the parts for all of the AAM plants, including the other AAM (Colfor) plant right here in our community. This tragic event has left hundreds of men and women of our community out of work. These men and women work, live, worship and spend money in our community, such as grocery store, gas stations, doctor's office, hair salons, etc. Myself and some of the other community members have decided that we need to do something to help these folks, who have been so deeply impacted and continue to be impacted by this horrific event. We are doing a Charity Fundraiser Dinner Saturday October 24th at the Minerva Community Building. We would be grateful for any help you may be able to provide. We are in need of food donations, disposable flatware and food containers, gift cards or merchandise for auction etc. Anything you can do to help would greatly be appreciated and would go a long way to make this event successful so we may help our neighbors. We thank you for your donations and your time.
