September's Science Theme- Apples

Dear Carrie Gosch Pre- K Center Families

We are nearing the end of our first quarter. We have had many 'firsts' in the past months. The students are adapting to the routines and procedures here in the building.

We have made some adjustments in adult procedures as well. We are asking if you wish to make a change in the way your child goes home for the day to please fill out a notice in the office by 10:00AM. We will use the note to inform the teacher and the bus staff so that dismissal runs smoothly. Also, we have made some changes in the parking lot. We are thankful to the families who are parking in designated areas and following the flow of traffic. We still need support from all of our parents. Please obey the directives of the Safety Specialists as they direct you in the parking lot. Also please reduce your speed as you go through the lot. I am asking this so that we all work together as a team to keep each other safe while we are in the parking lot during arrival and dismissal.

ACADEMICS

Our students will take the Children's Progress Academic Assessment (CPAA) during October 2, 2017 – October 12, 2017. We will share information concerning the assessment at our upcoming family event on October 11, 2017. We will host a Hispanic Heritage Celebration on that day as well as provide a chance for you to meet with your child's teacher and discuss your child's academic progress. Please bring your child to school well rested and to school on time.
