RESIDENCY AFFIDAVIT

I hereby certify that (student) _____ resides with his/her parent/legal guardian at (street) _____ (town) _____ and is a bona fide, permanent resident of Westbrook in accordance with Public Act 86-303.

I hereby attest that the student's residence in Westbrook is permanent, provided without pay or economic support from parents, and not for the purpose of obtaining school accommodations in Westbrook Schools.

As the parent/legal guardian, I am requesting my child's enrollment as a student at Westbrook Middle School in Westbrook, Connecticut. I fully understand that I am obligated to inform the school principal immediately of any change in the student's residency status.

If enrollment in Westbrook is denied, you have the right to request a hearing of the Board of Education. This district has the right to such payment of tuition for the period that the child remains in Westbrook Schools if the student is ultimately found ineligible for school privileges.

PLEASE NOTE: Include a copy of a document that verifies residency, i.e. property tax bill, rental agreement, utility bill, etc.

I realize that the Connecticut Public Act 86-303 entitles a school district to deny enrollment if it suspects the enrollee is not a bona fide resident, and that the enrollee is entitled to a due process hearing before the Westbrook Board of Education if he/she wishes to appeal the decision.
