Dear Parents/Guardians:

This has been a very trying time. As a nation and a community, we had to respond to the unexpected, the closing of schools. Your support and understanding has been noteworthy. Everyone is aware that the most overwhelming key to a child's success is the positive involvement of their parents. As we end this school year, thank you for partnering with us and working collaboratively in overcoming the hurdles of remote learning.

As we close out our school year, those families that signed out a Chromebook will need to return the Chromebook to the school. Upon doing so, you will receive your child's Summer Learning 2020 book.

When coming to the school building, please adhere to the following:

- NYC social distancing protocols must always be adhered to 6' distance
- Restrooms will **not** be available
- Access to the school buildings will **not** be available
- Everyone **must** wear a mask
