Dear Icahn 1 Families/Guardians:

On behalf of the staff at Icahn Charter School 1, I am pleased to welcome you to the official start of the 2020-2021 school year! The circumstances are different, we are all very aware, but as they say, "the show must go on".

We are looking forward to a fruitful partnership with you to ensure that our children can achieve their highest potential. We recognize that in order to be successful in school; our children need the support of, not only their teachers, but from you as well. This year, more than any other, your children will need us, ALL of us. We know a strong partnership with you will make a huge difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will continue to do what is best to carry out our responsibilities. Let's not disappoint our children.

We ask that you continue to help steer and support your child's learning by guaranteeing that he/she:

1. "Attends" school daily by logging on their computer and be ready for the day's learning experience.
2. **Be present and on time.**
3. Complete **all** assignments given by their teacher/s.
4. Continue to read daily
5. Inform you if she/he needs additional support.
6. Knows what your expectations of him/her are.
7. Communicate daily with your children. All communication does not have to be school based. It could be a simple "how are you feeling?" question.

Again, we understand that it is a very challenging time in today's world, but education should NEVER be compromised. We need to support our children in every way possible. We are fully committed to providing your child with academic and emotional support during these trying times. Please continue to do the same.

We thank you for your support and look forward to a very successful school year.

Sincerely,
Lawford Cunningham
Principal
