11:45-12:15 -Lunch

**Exciting Summer Mini Camp for 6-8th Graders
Who are attending Summer School**

Summertime Fun

**Summer
Activities
for Kids**

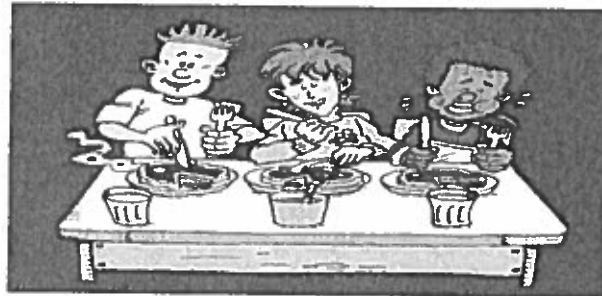

Everyone Can be a better student Next School Year

Fun filled hours of hands on science experiments and math classes using visual learning techniques that will keep your student excited and fascinated instead of afraid of Math and Science. Engaging, enjoyable, instructors that know their stuff and can relate to your student.

**Improve Performance and
Strength Academic Skills**

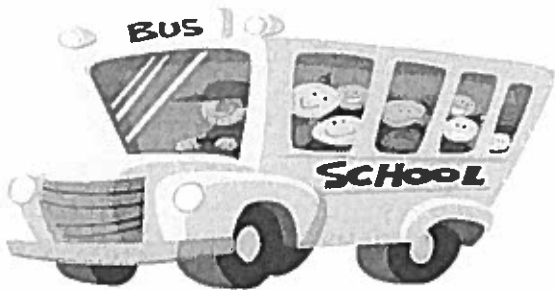

Summer school is designed for kids to have fun while learning. Mastery of the basic concepts of four core subjects is the main target of the program. This will equip them to be a better student for next school year.

Breakfast and Lunch are available

Every Student is a Unique Person

We will integrate other discipline of learning such as art, physical education, theater and others.

Fun!!! Fun!!! Fun!!!!

BRACE YOURSELF FOR THE IMPACT!

**If you are interested, fill out the Registration Form and
Return to CMMS Front office**
