

Austin Road's Summer Reading Challenge

The purpose of the Summer Reading Challenge is to encourage your child to read on a daily basis over the summer. We believe that students need to continually practice reading in order to become proficient readers. We encourage our students to explore and investigate the world around them by reading great books. So, have your child find a cozy spot, open a book and expand their imagination.

When your child participates in the Austin Road Summer Reading challenge they become one of our "Super Summer Readers" and will be recognized on our WALL OF FAME bulletin board in the main hallway!

The Summer Reading Challenge requires your child to mark their calendar every day they read. Your child must read at least 40 days over the summer to earn a spot on the WALL OF FAME.

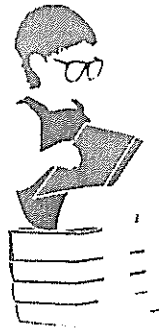

We recommend a day of reading be at least: 20 minutes for Grades K-1, 30 minutes for Grades 2-3, and 40 minutes for Grade 4. Kindergarten parents feel free to read books to your child. Happy Reading!

At the end of the summer, they write the grand total of days read on the calendars provided. You and your child will then sign and return this report to their new classroom teacher in September to be recognized as one of Austin Road's Super Summer Readers.

The Mahopac Library is a great resource for reading programs and book lists. Just go to <http://mahopaclibrarysite.org> and then click onto Youth Services.

Austin Road's Summer Reading Challenge

Mark your calendar every day you read!

June 2019
