

BUS SERVICE

The public school district in which the student resides provides bus service for students attending St. Anne School. Bus schedules are sent to parents/guardians from their public school district's Department of Transportation in the latter part of August.

Students are expected to conduct themselves in a responsible and safe manner while traveling on the bus to and from school or on school trips. In case of frequent misconduct reports from the bus driver, a student may be denied bus privileges by the Principal and/or the public school district.

Questions concerning bus schedules or bus stops should be brought to the attention of the Department of Transportation of the student's respective school district.

In the case of inclement weather, St. Anne School follows the Bethlehem Area School District late start/early dismissal and closing schedule. If a student uses bus service from another school district, parents/guardians should contact the Department of Transportation for that district to learn of their late start/early dismissal and closing schedule.

(Distribute to Parents of all Students Needing Transportation)

Dear Parent,

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic schools as follows:

1. A district which provides transportation for resident public school students must also make identical provisions for the transportation of resident nonpublic school students according to the nonpublic school calendar.
2. Transportation for nonpublic school students must be provided to and from the nonpublic school in which the student is enrolled, even if the nonpublic school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries. (Note this distance may be in excess of 10 miles from student's home.)
3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

If you think you are eligible for transportation and desire it for next term, please complete the Request form below and return it to school immediately.
