

**ST. ANNE SCHOOL CANCELLATION, DELAYED OPENING, AND EMERGENCY
CLOSING PROCEDURES**

If school is cancelled, delayed in opening or closing early because of bad inclement weather, announcements will be made on the following stations:

WAEB AM 790 and WAEB-FM (B104)
WLEV FM 100.7, WCTO FM 96, WODE FM 99.9, WBYN-FM 107.5,
WEST-AM 1400 and CHANNEL 69
CHANNEL 16 "WINTERWATCH 16"

From your computer or other device you may access the information by logging on at www.stannebethlehem.org, www.cancellations.com, www.wfmz.com, www.b104.com, www.waeb.com, www.wzzo.com, www.oldies1470.com and following the access directions.

A parent may set up an account with the One Call Service using the email provided to the school. This account can be set up with personal preferences for method of notification.

Even though we follow the Bethlehem Area School District in these situations St. Anne School Bethlehem will be announced.

One hour delay

A one hour delay will be announced but these procedures will be in place:

Grades K-8 will begin at 9:20 AM
Pre-School AM session is cancelled
Extended Care opens at 8:00 AM

Two hour delay

A two hour delay will be announced but these procedures will be in place:

Grades K-8 will begin at 10:20 AM
Pre-School AM session is cancelled
Extended Care opens at 8:00 AM

Emergency Early Closing

If bad weather occurs during the day, please listen to the stations listed above or log on to the website for a possible early closing. We will announce the early closing as soon as we have been notified by the Bethlehem Area School District.

**EXTENDED CARE WILL BE AVAILABLE FOR ONE HOUR AFTER THE
ANNOUNCED EARLY CLOSING TIME.**

Please keep this information! It is very important that these procedures are followed, especially not calling the school office for early closing information. This ties up our phone lines and we are unable to receive the vital information that we need to close school. If you wish to pick-up your child before an early closing is announced you may do so by coming to school. No call is necessary.
