

## **LUNCH PROGRAM**

A hot lunch program is offered to all students five days a week. The menu consists of three choices daily, served with a vegetable, fruit and a drink. Drinks may be purchased individually. Students pre-pay for their lunch and use tickets in order to purchase their meal. Monthly menus are available online as is the form to purchase tickets.

All students eat lunch in the Community Center and are supervised by a faculty member and parent volunteers.

## **LUNCH RECESS**

Students in Kindergarten through fifth grade have outdoor recess when weather permits; otherwise, recess is in the gym. Students are to be polite, play carefully, and follow the playground rules. Teachers and volunteers are to be obeyed. Misbehavior during lunch recess will result in disciplinary action.

## **SCHOOL GROUNDS**

Permission and requirements for the use of the school grounds and facilities after school must be coordinated with the rectory.

The use of the playground after school is limited to St. Anne Extended Care.
