

## **LOCKERS**

Lockers are the property of St. Anne School. Therefore, if there is cause or concern for the safety of the school, lockers may be examined by school personnel.

Lockers are to be kept neat and tidy at all times. No colognes or other allergens should be in lockers due to other students' allergies. Any old lunch/snack items should be removed on a daily basis. Extraneous clothing should be taken home and not stored in lockers. Any locker decorations should be St. Anne appropriate.
