Presentation for parents and students – PLEASE ATTEND!

Frankly, as principal, I have asked parents to attend many different presentations and events in support of YOUR children. This is a presentation I urge and beg you to attend to make this a priority on behalf of your students. PLEASE MARK YOUR CALENDAR.

Bullying can and will affect most children in one way or another. IT WILL AFFECT your child and it will be hurtful. Please don’t think your children will not be affected!!!!

Bullying for school children is:

• Emotionally devastating and sometimes tragic
• Horrifying and sometimes criminal
• Traumatizing and it will affect children into adult life

Our presenter Jodee Blanco is a survivor of terrible bullying. She is an author, a preeminent expert about bullying. She is a crisis management consultant and is endorsed by the National Education Association, the US Justice Department and many educational and crime prevention entities. Her presentations are dynamic and eye-opening. She is an internationally-recognized expert.

• On February 5th – she will present age appropriate programs for students and a separate afterschool workshop for teachers.
• The evening program is open to ALL Parents and students who wish to attend! You may attend with or without your student.

I cannot emphasize enough....the importance of this program for ALL parents. I have invested much into bringing this program to St. Anne School on behalf of our students.

PLEASE ATTEND!
Save on Tuition Costs!

We are pleased to present our Family Referral Program for our current St. Anne School Families.

How it works:

Any current St. Anne School Family who refers a new family will receive a $500.00 deduction off next year's tuition guidelines are:

- The new family must be registered no later than October 1st of the current school year, or, if transferring in mid-year - they must remain enrolled and complete the current year.

- The discount applies to new families referred to St. Anne School with children entering Full Day Four-Year Old Preschool, Kindergarten through 7th grade. Families referring whose children will be in half-day or three-day preschool for the upcoming school year will receive a $250 deduction off their preschool tuition.

- If the referred family disenrolls the Referral and Tuition Discount are not valid.

- The current St. Anne School referring family must obtain a Family Referral Form available through the Advancement Office, complete and sign the form and return it to the Advancement Director.

- Each current school family may refer up to 2 new families per year. The discount is offered per family referred, not per the number of referred students. FORM IS REQUIRED FOR VALID REFERRAL.

- The new family must meet all St. Anne School enrollment criteria. The new family must meet with the Advancement Director to complete the enrollment process.

For additional information or questions, please contact Mrs. Brida in the Advancement Office, by calling the Main Office or via email: ebrida@stannebethlehem.org.
