Dear St. Anne Families,

We have just begun the season of Lent. I have reminded the children, many times, to be kind to one another, in their words and actions. Please remind them that this is a good sacrifice they could do during this season of prayer, almsgiving, and service.

We have almost completed our safety updates throughout the school. These are the updates that were funded by the school marathon. We have upgraded all doors to swipe cards. This allows us to know who is entering the building at all times. We have upgraded the cameras throughout the building and the surveillance system. This gives us the ability to record and see clearly who is at the doors and what is going on in all areas of the school. Speakers were added to the parking lot and playground area on Hickory Street. We can communicate to the outside areas if we need to. The fire panel box and fire alarm boxes are being upgraded. The system we had was antiquated and needed updating. These projects listed above were covered by the $35,000 that our families raised from the marathon. We are so very grateful and could not have done this without you. There are still a few minor things that we would like to purchase and will be looking into those items soon. Safety will always be on our minds and we will continue to upgrade and add things when needed.

I am out at the car rider drop off almost every morning. There are a few things that I have observed and are concerned about. Please pull your car up to the curb, as far front as possible, when dropping off your children. We try to wave you forward so we can get as many cars on Hickory Street as possible. Do not drop off the children in the middle of the street. There are too many cars trying to pull away and it is very dangerous. Make sure the children are ready to get out of the car when it is your turn to drop them off. This makes for a smooth drop off.

Remember, safety first!

Please support the fundraisers that are out – Gertrude Hawk Easter candy and the Scones and Irish soda bread. These fundraisers help our PSA afford to give back to the students at St. Anne School.

Thank you for all you do and for your support,

Mrs. Karen Bentz
