

9/6/17

Dear St. Anne Families,

It's a great day to be a St. Anne Student! Thank you for attending the recent back to school nights. We are thrilled to start the new school year. Things seem to be moving along quite nicely.

We will be introducing some new academic based extra-curricular programs. Watch for announcements in the coming weeks. I am currently re-vamping our class scheduling to provide academic and special class balance during the school day. The scheduling is a little tricky and I appreciate your patience until the schedules are set.

Our team of faculty and staff have been working very hard on behalf of our students for a smooth transition and creative classroom environment. We are excited for our new health/wellness curriculum, Aquinas Program for students with learning differences, our dynamic new Math curriculum, and our spectacular Spanish program. Technology will begin in October due to Mrs. Morales' relocation of her family. Our creative Art teacher, Mrs. Boyle, has started art in the classrooms. We had to pour a new cement floor in the Art room. The room requires cleaning and set-up.

As you can see, there are many improvements in the works. Please watch for after-school club announcements and other great St. Anne news. Make sure you check the school calendar to check on upcoming school events and activities.

Our warmest prayers and congratulations to our newly installed 5th Bishop of Allentown, Bishop Alfred Schlert. We hope he enjoys the cards made by the students and the St. Anne socks that we sent him.

Here's to hitting the ground running for this new school year!

God Bless you!

Mrs. Karen Bentz

LAST CALL – LABELS FOR EDUCATION

The Labels for Education program is ending at the end of this year. Our school has received many benefits from this program, and we are sad that it is ending. Please send in your collected labels no later than December 22nd, 2017. Look for labels with the Labels for Education logos, and make sure to cut the entire barcode and logo (see examples below).

Thankfully, the BoxTops for Education program is still active! This year we will have a classroom contest each marking period. The class that brings in the most BoxTops will win a pizza party! In order for BoxTops to count for this contest, you must clearly mark the envelope/bag with the student's full name and room number. Please make sure they are not expired and the date and code is legible (see example below).

Each Box Top is worth 10¢!

(examples of Box Tops)

Prizes will be handed out to students cumulatively throughout the year. As each of the following totals is reached, your child will receive the designated prize. Look for special prizes randomly throughout the year as well!

10 = Book Mark

25 = Eraser

50 = Pencil Grip

100 = Pencil

200 = Shuttle Pen

500 = \$5 Gift Card

The three students with the highest total BoxTops sent in will receive a special prize at the end of the school year. Thank you for supporting our school!

KEEP ON CLIPPING!
