April 30, 2020

Dear Parents:

With this writing, I am hoping all of you are doing well. Unfortunately, it is that time of the year that the school districts would like to know who would be riding the bus this upcoming school year.

I have copied what is called the Act 372 for each school district that we are currently serving. I am asking that you fill it out and return it to me by email or US Mail by Friday, May 8, 2020. Please print legibly and if at all possible, use black ink.

Thank you in advance for your cooperation regarding this matter. I know your hands are full at this point, and this is another add on to your list. If you have any questions or concerns, please call the Main Office @ 610-868-4182 or email me memrock@stannebethlehem.org with your questions. Stay safe and know that all of you are in my daily prayers.

Respectfully,

Monica Emrock,

Monica M. Emrock,
Transportation/St. Anne School
According to Pennsylvania Law, students are entitled to transportation as follows:

1. Non-Public Schools - A District which provides transportation for resident public school students must also make identical provisions for the transportation of resident non-public school students. Allentown School District transports elementary students (K-5 grades) who reside 1.5 miles or more from their school. Non-Public Elementary students (Grades K-5) must reside 1.5 miles or more walking distance from home to school to qualify for transportation.

2. Transportation for students who qualify by walking distance must be provided transportation to and from the non-public school in which the student is enrolled, even if the school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries.

If you think you meet the qualifications and are requesting transportation, please complete the required information below and return this form to your school promptly. Form must be complete and signed by parents. Incomplete forms and forms without signature will not be accepted. The District will review and verify all information and will determine if the student is eligible for transportation.
