The St. Anne School

Early Re-Registration Space Race

*Thank you to all our families who have already re-registered!!!*

**Early re-registration** is of tremendous assistance and value as we work very hard, as early as possible, to plan enrollment, class size, class supplies and teacher assignments for 2020-21! The earlier we can budget and designate school funds, the better we can plan for our student and school needs. *This is crucial.*

Please take advantage of this current family only re-registration discount!!

*Send in your re-registration form TODAY — only $85 re-registration FAMILY fee until 10/31; tiered discounts are available until the end of Catholic Schools Week! Join in the fun!*

We encourage *early registration* and are offering the deep early discounts and class/grade rewards in this year’s themed Space Race. Our students are VERY excited to participate with their class to win prizes and to work as a team and a family. Team building, school spirit and fun are very important to our students! They watch the RE-Registration Board everyday – Mrs. Bentz makes progress announcements each week with great fun and enthusiasm. *A former NASA Astronaut will be making a presentation to the school in November! AWESOME!!*

Classes follow the race board, we have fun announcing weekly re-registered student raffle winners and we hope to engage our families in all aspects of our school community. *Our annual theme is creatively integrated into our curriculum by our teachers each year!*

**There are many reasons that St. Anne School is one of only 3 schools that is showing positive enrollment growth in the Allentown Diocese in Northampton and Lehigh Counties this year. It is our family support and our consistent efforts to do the very best we can everyday!**

Early Re-Registration Race:

- **If we achieve 50% re-registration by November 1st – the entire school receives a “Dress Down Day.”** Please ...for your students – get those re-registrations in!!!

Very Important Information:
