

Dear St. Anne School Family:

Thank you for your continued kind, patient support of our school community. You chose St. Anne School because you desired a safe and secure, academically strong, caring and faith-filled experience for your children. **NOTHING HAS CHANGED – Our Mission is as strong as ever!**

As of today, June 29th:

St. Anne School will Open in the Fall – first day of school is August 31st. Preschool will open the week after Labor Day as usual.

The State of Pennsylvania is currently in the **GREEN PHASE** – this means **ALL** schools, including local school districts and Diocesan schools will open with specific guidelines and restrictions in place. The planning for opening is very fluid and guidelines are subject to change. As of today, we can tell you that final details of our plan will be completed, reviewed and approved by the Diocese (based on local and state public health and safety guidelines) for presentation in late July. This careful and thoughtful planning is taking time; there are a remarkable amount of details that need to be carefully planned and thought out. All parties are working diligently and quickly for the **HEALTH AND SAFETY** of our students and staff.

TODAY I Can Share:

1. Bus transportation plans and processes will be decided and dictated by the local school district transportations offices. **They** will determine, through their plan, how **YOUR** child will be transported.
2. Entrance into the school during the day will be limited to necessary professional repair companies and school district and Diocesan educational support staff.
3. Until further notice – school volunteers/visitors will not be permitted to enter the building. Several safety features are being adapted for our school.
4. School disinfectant cleaning will take place daily and, in several forms, details will be forthcoming.
5. Policies regarding safe protective face coverings and masks for students and staff will be announced.
6. Government funds have been made available so that each school can incorporate health and safety supplies, equipment, etc. into our school and health and safety planning. We are in the process of having our plans and purchases approved.
7. Specific procedures and policies for students who may become ill while in school are being written in accordance with CDC and State and local public health guidance.

I will continue to keep you updated. Your patience and prayers are much appreciated as we work for safe and sound solutions during these challenging circumstances for all of us. Keep safe and well. You are always in our prayers.

God Bless You and Enjoy Your Summer!

ST. ANNE SCHOOL UNIFORM CHANGES

2020-21

REMINDER

Girls Uniform Requirements have changed – as announced before the end of the school year. **PLEASE NOTE:**

1. Girls will change from the Yellow Golf Shirts to **Green** Golf Shirts and will wear these shirts with **Khaki** pants, skorts, shorts and under jumpers and with Navy plaid *kilts in middle school*.
2. Girls will change from navy blue shorts, skorts and long pants to **Khaki** shorts, skorts and long pants.

Middle School

1. Girls will change from a solid green kilt to a **Navy Plaid Kilt**.
2. Girls will change from the yellow shirt to the **Green** Golf Shirt
3. **Girls and Boys – a new GREEN St. Anne School Uniform half-zip pullover is now available to wear with your school uniform.**

Photos will be posted on our school Facebook page. All uniforms are available at Flynn and O'Hara located on Catasauqua Road.

******Students will have two years to make the change to new uniforms.* FREE Gently Uniforms are available in the uniform closet.

- There are no more yellow shirts available – green shirts are plentiful.
- Summer Office Hours to visit the Uniform Closet are Tues., Wed, Thurs. 9a – 12 Noon
