

Dear Parents and Families:

It's a fact: children enjoy reading for fun with their parents! Not only does reading unlock a child's imagination, it can even help them get into college! Here are some ways you can develop your child's reading skills:

- Keep books in your home. Update the collection frequently to give your child new choices. Read what your child is reading so you can ask questions about the story.
- Set the example. Let children see you reading a book.
- Support our school's Book Fair. Let your children choose their own books.

Our Scholastic Book Fair features a huge selection of engaging and affordable books for every age. Your child is certain to find a book they will love! We will also be doing a Pre-Sale of "Diary of a Wimpy Kid" as an exclusive paperback for \$5 less than in stores -- which will be included in your child's kit sent home next week.

Children in Kindergarten Through 5th Grade will be visiting during their Library Time. Middle School will be able to shop during their lunch time. There will be time for students who were absent or wish to come back. Preschools schedule will be sent home separately.

If your child cannot attend in person, shop our Online Fair from SEPTEMBER 19 to October 2nd at scholastic.com/bf/stanneschool2. Online also has an extended young adult selection available than will be at school.

BOOKFAIR DATES: September 26th & 27th (morning of the 28th for absentees)

The Book Fair will be open during the PSA meeting on September 26th with a drawing for parents in attendance!!

We can't wait to see your family at our Book Fair. Remember, all purchased benefit our school! Thanks for supporting our readers!

Sincerely,

Mrs. Bentz
